Additions to the Collections

Extra pages

To calculate the cost of additional pages, divide the cost of the album only (Collection price less £750.00) by the number of pages in the price list. Eg. Cost of an additional page in a 20x30 Young Book is £450.00 divided by 30 and this equals £15.00.

Extra copies

To calculate the cost of an additional album, reduce the album price by 25%. Eg. Cost of an additional 20x30 Young Book is £450.00 less £112.50 and this equals £327.50.

Parent Books available as 1 of 20x30 or 2 of 15x20 or 4 of 10x13. Also available as Guest Books as 8 of 10x13 or 15 of 6x9 or 30 of 4x6. Each option costs £120.00 per set.
